Objet : RE: revised Lao SSFSNP Detailed Design Report (GAFSP)

Hi All,

IFAD has recently significantly revised its formats for project logical frameworks and for the way the financial and economic analysis is done and presented. The GAFSP/SSFSNP report has been revised to reflect these new formats/requirements and has been further edited based on feedback from team members.

Please discard your earlier copy of the document and replace it with the attached report

Cheers
